and regulations and followed international best practices at each step of the bidding process to ensure
all waiting for their two minutes in front of the delaware river basin commission. you see, we pay taxes
and it ignores the fact that the people in control of the economy and the state apparatus made the conscious
choice to create a hyper-criminalized regime in the 1980s, and to keep it going ever since
it reminds us from year-to-year that god hears the cries of the downtrodden, sensitive to the pain of the abused
who seek relief from their cruel masters
in the essay ldquo;off the line,rdquo; julie vandekreke was the new girl in school
